

11th National Conference IAOHNS 2025

Indian Academy of Otorhinolaryngology
Head and Neck Surgery

Theme - "ENT Care in India: Innovations, Challenges, and Solutions"

Date : 12th - 14th September 2025

INSTRUCTIONAL COURSES

- ✓ Sialoendoscopy
- ✓ Drug Induced Sleep Endoscopy- How I Do It
- ✓ Mastoidectomy/ Stapedotomy Simplified
- ✓ Rhinoplasty Simplified
- ✓ Decision Making In OSA
- ✓ Sudden SNHL - Why An Emergency!
- ✓ Audiology for Ent- What Surgeons Should Know

11th National Conference IAOHNS 2025

Indian Academy of Otorhinolaryngology Head and Neck Surgery

Theme - "ENT Care in India: Innovations, Challenges, and Solutions"

Date : 12th- 14th September 2025 Venue : Avadh Utopia, Surat

Day 1 - Hall 2, OSA Symposium : 10.30am - 1:00pm

SPEAKERS

Dr. Sreenivas Kamath K

Dr. S Nagarajan

Dr. Anukaran Mahajan

Dr. Bikram Chowdhury

Dr. Navin Patel

Dr. Vikas Agrawal

Dr. Sandeep Bansal

Dr. Vijaya Krishnan

Dr. Sandeep Patel

Dr. Dipankar Datta

MODERATOR

Day 1 - Hall 2, OSA Symposium : 10.30am - 1:00pm

10:30-10:45am	Anatomic Considerations in Surgical Treatment of Obstructive Sleep Apnoea	Dr. Sreenivas Kamath K
10:45-11:00am	Pressure, Flow, and Collapse: A Biomechanical Insight into OSA	Dr. Nagarajan S
11:00-11:15am	Clinical Evaluation of OSA : Beyond the Snore	Dr. Anukaran Mahajan
11:15-11:30am	Multidisciplinary Team Approach for a Sleep Clinic in a Tertiary Care Govt Hospital : How we do it ?	Dr. Bikram Chowdhury
11:30-11:45	SBD in Children: Adenotonsillectomy and Beyond	Dr. Navin Patel
11:45-12:00 noon	Remodelling Surgical Revolution in OSA : Journey of Two Decades	Dr. Vikas Agrawal
12:00-12.45pm	Panel Personalized Management of OSA : One Size Doesn't Fit All	
	Panel : Dr Nagarajan S, Dr Sandeep Bansal, Dr Sandeep Patel Dr Vijaya Krishnan P, Dr Vikas Agrawal	Moderator : Dr. Dipankar Datta
12:45-01:00pm	Discussion and Crossfire with Audience	

Day 2 - Hall 1, Instructional Course IC-4 : DISE

Dr. Sandeep Bansal
Dr. Nagarajan S

Day 3 - Hall 1, Instructional Course IC-7 : Decision Making in OSA

Dr. Vijaya Krishnan
Dr. Sandeep Patel

Meet the Experts

11th National Conference IAOHNS 2025

Indian Academy of Otorhinolaryngology
Head and Neck Surgery

Theme - "ENT Care in India: Innovations, Challenges, and Solutions"

Date : 12th - 14th September 2025

KEYNOTE SPEAKERS

Dr. Manoj Manikoth
Consultant in Otorhinolaryngology,
Dr. Manoj's ENT Super Speciality Institute and
Research Centre, Calicut

Prof. Dr. Joachim Müller
Head of Section Cochlear Implants and Hearing
Prosthetic. Department of Otorhinolaryngologist.
Head & Neck Surgery

Prof. Dr. Manohar Bance
Professor of Otolaryngology and Skull Base Surgery
MB, ChB, MSc, FRCS, FRCS, ABOTO

Dr. Prathamesh Pai
MS, DNB MNAMS EPGDHA, Director at
Punyashlok Ahilyadevi Holkar
Head & Neck Cancer Institute of India

Dr. Mohan Kameswaran S
MBBS, Diploma in Otorhinolaryngology (DLO),
MS - ENT ENT/ Otorhinolaryngologist

Dr. Nupur Kapoor Nerurkar
M.B.B.S.; D.O.R.L.; M.S.(ENT)
- Laryngologist & Voice Surgeon, Bombay Hospital
- Former Associate Professor (Sion Hospital), India

Prof. Dr. Alok Thakar
MS, FRCSEd,
Professor of Otorhinolaryngology & Head Neck Surgery,
AIIMS, New Delhi, India

SPEAKERS

The Enigma of Retraction Pockets of Tympanic Membrane
Experience with totally Implantable Ci
Experience With Gene Therapy For Otoferlin Gene
Thyroid Cancers : Current State of Art
Ent Care In India - Innovations, Challenges And Solutions
Current trends in neurolaryngology
Glomus Jugulare- The Case for Surgery

Dr. Manoj Manikoth
Prof. Dr. Joachim Müller
Prof. Dr. Manohar Bance
Dr. Prathamesh Pai
Dr. Mohan Kameswaran S
Dr. Nupur Kapoor Nerurkar
Prof. Dr. Alok Thakar

Date : 12th - 14th September 2025

SBO Symposium - 90 minutes

SPEAKERS

Dr. Lokesh Kumar
Associate Professor, JIPMER

Dr. Garima Upreti
Assistant Professor, AIIMS, Rajkot

Dr. Sampath Chandra Prasad
Senior Consultant, Manipal Hospital,
Bangalore

Dr. Regi Thomas
Professor, CMC Vellore

Meet the Experts

SBO Symposium - 90 minutes

15 mins	1. Microbiology & Current evidence in Management	Dr. Lokesh Kumar
15 mins	2. Protocols for Clinical work up, Medical Management and Follow up	Dr. Garima Upreti
15 mins	3. Surgical management of Lateral SBO	Dr. Sampath Chandra Prasad
15 mins	4. Surgical management of Central SBO and concluding remarks	Dr. Regi Thomas
30 mins	Panel : Dr. Lokesh Kumar, Dr. Garima Upreti, Dr. Sampath Chandra Prasad Dr. Regi Thomas

Indian Academy of Otorhinolaryngology Head and Neck Surgery

Theme - "ENT Care in India: Innovations, Challenges, and Solutions"

Date : 12th - 14th September 2025 Venue : Avadh Utopia, Surat

DAY 1 - NEUROTOLOGY WORKSHOP

Time Duration 5 Hours

"Mastering positional vertigo: From Anatomy to Advanced Maneuvers"

Dr. Anita Bhandary
Dr. Anirban Biswas

MODULES ON :

Applied Anatomy & Physiology of the Labyrinth
Positional Tests – Mastering the Basics
Nystagmus Interpretation with VNG Video Library
3D Simulation of Canalith Repositioning Maneuvers
Hands-on Maneuver Training
Central Vertigo
Post- BPPV syndrome

Dr. Anita Bhandary
Dr. Anirban Biswas

Management of VESTIBULAR MIGRAINE including the role of CGRP	Dr. Hitesh Patel
The Role of Intratympanic Medication in Vertigo Management	Dr (Major) Rajesh Bhardwaj
Functional head impulse test and its implications in diagnosis of vestibular migraine	Dr. Sonali Pandit
Vestibular Memory	Dr. Shenal Kothari
Cerebrovascular disorders presenting with vestibular symptoms	Dr. Balakrishnan
Neuroplasticity & Vestibular Compensation	Dr. Omkar Halwai
Deciphering VNG findings: Biomarkers for Disorders	Dr. Anita Bhandary
Virtual Vestibular Rehabilitation Therapy -its role in clinical neurotological practice	Dr. Himanshu Kala
Saccadometry – its role in diagnostic neurotology	Dr. Anirban Biswas
Sacculi: the stepchild of the neurotologist - Vestibular pathology and Rheology	Dr. Nagarajan S

Format : Interactive | Hands-on | Case-based | Video + Simulation Aided

PHONO AND AIRWAY SESSION

Voice Session

15 mins	Voice assessment	Dr Alok Karulkar
15 mins	Office procedures	Dr Suchita Singh
15 mins	Recent advances in laryngeal papilloma management	Dr Nupur Nerurkar
15 mins	Management of early laryngeal cancer	Dr K K Handa
15 mins	Coablation assisted bilateral abductor palsy management	Dr Kaushik K Das
30 mins	Panel Discussion : Common voice disorders Panelist : Dr Anagha Joshi, Dr Alok Karulkar, Dr Suchita Singh Dr Kaushik k Das, Dr Navin Patel	Moderator : Dr K K Handa

Airway Session

15 mins	Assessment of the airway	Dr Gautam Khaund
15 mins	Management of dynamic airway obstruction	Dr Prem Sagar
15 mins	Management of peri operative challenges in tracheostomy	Dr Rajeev Kumar
15 mins	Ballon and stents in airway	Dr Anagha Joshi
30 mins	Panel Discussion : LTS Panelist : Dr K K Handa, Dr Rajeev Kumar, Dr Prem Sagar Dr Gautam Khaund, Dr Ranjan Iyer	Moderator : Dr Anagha Joshi

CI SYMPOSIUM

13th September 2025 | Time : 10:30am -01:00pm

Chief Coordinator - Dr Ameet Kishore

Preoperative Imaging in Cochlear Implantation: Protocols, Pitfalls, and Planning	Dr Neena Bhalodiya
Piecing the Audiology Puzzle: The importance of Multimodal Hearing Assessment before CI	Ms Parul Kajaliya
Surgical Precision in Cochlear Implantation: Techniques, Troubleshooting, and Risk Mitigation	Dr Janardhan Rao Jagini
Hearing Preservation and Electro-Acoustic Stimulation: Refining Technique & Expanding Indications	Dr Ameet Kishore
Two Ears, One Goal: Optimising Outcomes with Bilateral Cochlear Implants	Dr Abha Kumari
Adult Cochlear Implantation: Current Landscape and Future Directions	Dr Rajesh Vishwakarma

Panel Discussion :
Real world scenarios - Optimising outcomes through CI

Moderator :
Dr Ameet Kishore

Panelists : Dr Mohan Kameswaran, Dr Manohar Bance,
Dr Neelam Vaid, Dr Naresh Panda, Dr Mohnish Grover, Ms Parul Kajaliya

Date : 12th - 14th September 2025

PEDIATRIC ASOM

Coordinator - Dr Manoj Manikoth

Case 1: Typical AOM Presentation Prof. Naresh Panda

Patient : 2-year-old with fever, irritability, pulling at ear.
Discussion Points: Diagnosis, first-line treatment options (antibiotics vs. observation), and follow-up

Case 2: Recurrent AOM Prof. Neelam Vaid

Patient : 3-year-old with 4 episodes of AOM in 6 months.
Discussion Points: Indications for tympanostomy tubes, potential need for adenoidectomy, and counseling parents.

Case 3: AOM with Complications Prof Milind Navalakhe

Patient : 5-year-old with AOM leading to mastoiditis.
- Discussion Points_: Surgical intervention (mastoidectomy), signs of complications, and management

Case 4: Persistent Effusion Following AOM Prof Ameet Kishore

Patient : 4-year-old with persistent middle ear effusion after 3 episodes of AOM.
Discussion Points: Indications for surgery, expected outcomes, and hearing assessment.
